Proof of Concept (PoC)

Objective: Bring ERC-funded ideas to a pre-demonstration stage for:

- potential commercialisation opportunities or
- potential societal benefits

Who can apply: Holders of an ERC grant with an idea substantially drawn from an ERC-funded project

What for: Establish the innovation potential of the idea: technical validation, market research, clarifying IPR strategy, investigating business opportunities

Amount: Total budget for 2019: € 25 million
€150,000 per grant (18 months) – Lump Sum from 2019

Evaluation: Experts in technology transfer check the innovation potential and that the implementation plan is reasonable
